My Dear Boy

Rec'd your letter or Card from Elmira - You mother thought you ought to have written more about the folks - Augusta has not heard from Bird yet & no letter has come this A.M. either. You little know how I miss you - Walk Dr is yet away - all his people were up to supper wednesday night & mama was down there last night & Augusta was at Barnes's a party last night also - so I was all alone at home - & it was lonesome I tell you - Hope you will have a nice time up there but is cold here all with love Dad Aff'y Yours
